Error! Not a valid filename.
Error! Not a valid filename.
Error! Not a valid filename.
U.S. General Services Administration Sale No 71FMPS-00-039 is subject to the General Sale Terms and Conditions (Standard Form 114C, June 1997). Copies of this form are available from the sales office. This sale is open to the Public.

Acceptance Period. By signing the bid form, the bidder agrees to pay for and remove the property if the bid is accepted within 60 calendar days after the bid opening date.

Contract Disputes. Contracts awarded under this solicitation are subject to the Contract Disputes Act of 1978 (41 USC 601-613), as amended. Copies of the current contract disputes clause are available from the sales office.

Bidders Indebted to the Government. The bidder warrants, by signing the bid, nondelinquency in paying for previous purchases of Federal personal property, including any debt administratively found due. Indebted bidders may be ineligible for contract awards.

Condition of Property is not warranted. Condition No 2, "Condition and Location of Property," of Standard Form 114C is deleted in its entirety. Deficiencies, when known, have been indicated in the property descriptions. However, absence of any indicated deficiencies does not mean that none exists.

Social Security Number (SSN) or Tax Identification Number (TIN).
In accordance with Public Law # 104-034, Section 31001, Debt Collection Improvement Act of 1996, (SSN/TIN) must be provided by anyone conducting business with the Federal Government, from which a debt to the government may arise. This information will be safeguarded in accordance with the Privacy Act. **Bid(s) without the SSN or TIN will be considered non-responsive and will not be considered for award.**

Power of Attorney. You should complete your bid sheet in the name you wish to have placed on the SF97. If you are buying a vehicle, trailer, boat, or etc., for someone other than yourself, you will need to submit another bid sheet in that person's name, with your signature. You are further required to furnish evidence of power of attorney which gives you, as the buyer, the authority to purchase and bind the third party. The power of attorney will remain on file in the sales office. The name placed on the appropriate line on the bid sheet is the only name that will appear on the SF97.

Description Warranty. The Government warrants to the original purchaser that the property listed in the invitation for bids will conform to its description. If a misdescription is determined before removal of the property, the Government will keep the property and refund any money paid. If a misdescription is determined after removal, the Government will refund any money paid if the purchaser takes the property at his or her expense to a location specified by the contracting officer.

No refund will be made unless the purchaser submits a written notice to the contracting officer within 15 calendar days of the date of removal that the property is misdescribed and maintains the property in the same condition as when removed. After property has been removed, no refund will be made for shortages of property sold by the "lot". This warranty is in place of all other guarantees and warranties, express or implied. (The Government does not warrant the merchantability of the property or its fitness for any use or purpose.) (The purchaser is not entitled to any payment for loss of profit or any other money damages, special, direct, indirect, or consequential. Clause No. 2 of standard form 114C is deleted.)

Refund Procedures. To obtain a refund (1) submit a written notice to the contracting officer within 15 calendar days of the date of removal that the property was misdescribed, (2) maintain the property in the purchased condition until it is returned, and (3) return the property at your own expense to a location specified by the contracting officer.

Refund Amount. The refund is limited to the purchase price of the misdescribed property.

Inspection. Please inspect the property before bidding. Times are indicated in the property listings.

Reporting Discrepancies/Hazardous Materials.
Prospective purchasers are asked to inform the sales office of any discrepancies in the property descriptions discovered while inspecting the property and of any lots in this sale that contain hazardous material/waste not indicated in the property descriptions.

Submission of Bid. The bid form must be filled out completely and mailed or hand-delivered sealed in an envelope addressed exactly as shown below. Be sure to enter your name or company name exactly as you wish it to appear on all subsequent paperwork. Changes will not be permitted after Bid Opening. ****FAXED BIDS WILL NOT BE ACCEPTED****
